REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Horrell Hill Elementary School made progress during 2012-2013 school year. The instructional focus continued to be on literacy across all disciplines. An after-school tutoring program was held for students who scored not met in English language arts and/or mathematics. An after-school program was implemented for our Early Childhood students to focus on writing and literacy engagements. We provided additional instructional support in reading and math for students in grades three through five at our Saturday Academy Sessions. We continue to have a partnership with Beulah Baptist Church. We partnered with Lower Richland High School Teacher Cadets as reading buddies with students in our primary grades.

The PTO and School Improvement Council met regularly. The PTO provided supplemental materials for teachers and students, as well as staff incentives. They also sponsored our first Mother/Son and Father/Daughter dances. Teacher skills were strengthened through staff participation in professional development activities, conferences, workshops, and graduate classes. While test results indicated improvement in some areas, there is a need to focus additional efforts on developing and improving students' science and math skills.

Community involvement included our partnership with the University of South Carolina as a Professional Development School (PDS) where interns worked with our teachers and students. We hosted two undergraduate on-site classes. Our PDS Connection supports professional development for our teachers in ELA and family literacy engagements, to include a focus on bridging gaps between our school and Latino families.

Several students participated and placed in the district's Visual Literacy Festival contests at the elementary level. We have five National Board Certified teachers and two teachers who are currently pursuing this status. A team of teachers presented at a National Conference focusing on family literacy and authentic learning experiences for all students. Community outreach programs include: Service Learning Projects where students collected food for Harvest Hope, money for Jump Rope for Heart and Pennies for Patients. Our Eagle Singers and Student Council performed for our business partners and an Assisted Living Care Facility in our community. Our guidance department held a school-wide career day, where there was representation from a variety of careers. We continued our "Going Green", school-wide recycling program. Our extra-curricular programs this year included: Hilltop Players Drama Club, Eagle Explorer-Math/Science Club and Chorus. We continued with our One Hundred Women/Men Read to enhance our reading initiatives. Women and Men from different aspects of the community participated. In addition, our Annual Literacy Parade was heavily supported by our families and community. While challenges faced by our school include funding for various projects and staff retention, it is our commitment and goal to continue to explore and implement innovative strategies to ensure that we meet the needs of all students.
